

## Hot drinks boiler matt black - Design by Bronwasser

211465

Designed by the renowned Dutch designer Robert Bronwasser. Its unique construction and attention to detail make the appliance an eye-catching addition to any buffet. Available in two versions: satin stainless steel or black stainless steel with a matte finish. Single-walled housing made of stainless steel. Stylish handles made of polypropylene. Non-drip tap. Glass water level indicator. Drip tray attached with a magnet, easy to clean. Thermostat indicator. Max liquid level indicator located inside the device. Temperature can be set in the range from 30°C to 100°C. Max cup height: 100mm. Reset button – for use in case of overheating. Warning light for overheating or when descaling is necessary. For boiling water or heating wine only – not suitable for other liquids such as milk or hot chocolate.

Housing made of stainless steel, in black with a matte finish.
