HENDI
Tools for Chefs

Chiller UNIQ code: 272084

The UNIQ line is a selection of products for the modern buffet, catering, restaurant, and hotel industries.
Award-winning collection designed by Dutch designer Robert Bronwasser.
It blends contemporary design with high-quality craftsmanship.
Timeless colour palette that complements food and beverage presentation on buffets.
Its unique construction and attention to detail make it an eye-catching addition to any buffet. Body made of durable, food-grade polypropylene.
Removable stainless steel GN 1/1 container, 40 mm deep.
Tempered glass lid with insulated handle and aluminium hinge.
Integrated card holder on the lid for product labels.
Two-part lid design.
Thermoelectric cooling system.
3 cooling settings:
- Setting 1: 12–15°C
- Setting 2: 8–12°C
- Setting 3: 4–8°C (approx. 40 minutes required to reach the target temperature).

Note: Actual cooling time depends on the ambient temperature and the selected setting. Lower temperature settings take longer to reach the target temperature.
Not suitable for freezing.
Black rubber feet.
Accessories included: GN 1/1 container (40 mm deep), transparent card holder, and detachable power cord.
Suitable for chilled food presentation and serving.
Suitable for sushi, salads, desserts, raw fish, and chilled dishes.
