Tools for Chefs

Chafing dish UNIQ code: 470466

The UNIQ line is a selection of products for the modern buffet, catering, restaurant, and hotel industries.
Award-winning collection designed by Dutch designer Robert Bronwasser.
It blends contemporary design with high-quality craftsmanship.
Timeless colour palette that complements food and beverage presentation on buffets.
Its unique construction and attention to detail make it an eye-catching addition to any buffet. Body made from high-temperature-resistant polypropylene.
Removable container made of stainless steel, easy to clean.
Heating element made from 18/8 stainless steel and placed in the water container for efficient heat transfer.
Tempered glass lid fitted with insulated handle and aluminium hinge.
Integrated card holder on the lid for product name cards.
Digital control panel with a display showing operating time, set temperature, and actual temperature.
Two-part lid design reduces heat loss during serving while maintaining optimal hygienic conditions.
The last temperature setting is saved in memory and will be selected every time the power is turned on.
Temperature can be set from 35 up to 85˚C in 1˚C increments.
Water container features an embossed max. fill line.
Designed exclusively for keeping food warm, not for cooking.
Available in 6 colours that match other elements of the UNIQ collection: white, black, beige, green, red, and brown woodgrain.
