Tools for Chefs

Gasgrill Fiesta 600 code: 146002

Base made of stainless steel.

Equipped with a round gas burner.

Includes gas hose, electronic ignition, and pressure regulator.

Thermocouple for flame safety.

Removable burner unit for easy cleaning.

Suitable for propane gas. Paella pan made of carbon steel, Ø 600 mm.

Open base allows space for gas cylinders (5 or 6 kg).

Gas consumption: 334 g/h.

- + Thermocouple enhances safety by cutting the gas supply if the flame goes out.
- + Ø 600 mm pan suitable for medium batch cooking.
- + Removable burner unit simplifies cleaning and maintenance.
