

Xantos Gas grill code: 148624

This stainless steel power grill has 4 detachable legs which can be flat-packed into a compact unit for transport. The burners develop a high temperature in the windproof unit and therefore this barbecue is suitable for high volume production.

The unit itself is easy to clean thanks to these high temperatures.

The two burners can be operated independently.

Fitted with a thermocouple and electronic ignition, gas hose and pressure regulator are included.

Suitable for propane gas.

Grid surface area 540x540 mm (2 grids of 540x270 mm).

- + Compact yet powerful.
- + Ideal for fairs, events and parties.
- + Fitted with 2 burners which can be operated independently.
- + The high heat burns most of the fat and scraps, resulting in less cleaning.
- + Easy to transport.
