Roast-Master Pro Gas barbecue code: 148808

2 independent gas burners with a piezo ignition.
2 flame tamers made of stainless steel 18/0.
2 chromed steel grids measuring 470x320 mm.
A large drip tray which also helps to retain heat within the housing.

Copper valves with an automatic gas shut-off system - stops the flow of gas when the flame is extinguished.
Gas hose with a pressure regulator included.
Suitable for propane and butane gas. Housing made of stainless steel AISI 430.
4 legs made of stainless steel AISI 201.

- + Safe piezo ignition for dependable flame ignition
- + Flame tamers protecting the burners from fat and providing optimal heat distribution
- + Two separate heating zones, allowing you to grill at two temperatures simultaneously
- + Grids finished with chrome plating can be cleaned with wire brushes
- + Gas valve equipped with an automatic gas flow shut-off system
