

Gas Grill Roast-Master Pro Black code: 148822

2 independent gas burners with a piezo ignition.
 2 flame tamers made of stainless steel 18/0.
 2 chromed steel grids measuring 470x320 mm.
 A large drip tray which also helps to retain heat within the housing.
 Copper valves with an automatic gas shut-off system - stops the flow of gas when the flame is extinguished.

Gas hose with a pressure regulator included.
 Suitable for propane and butane gas. Housing made of stainless steel 18/0 finished with black enamel.
 Front and 4 legs made of stainless steel finished with black powder coating.

-  Safe piezo ignition for dependable flame ignition
-  Flame tamers protecting the burners from fat and providing optimal heat distribution
-  Two separate heating zones, allowing you to grill at two temperatures simultaneously
-  Grids finished with chrome plating can be cleaned with wire brushes
-  Gas valve equipped with an automatic gas flow shut-off system
