Tools for Chefs

Griddle half ribbed code: 154946

Housing made of stainless steel.

The solid 8 mm thick hardened steel plate offers excellent heat retention.

Fitted with backsplashes and a removable drip tray.

Temperature stepless adjustable up to 300°C.

Overheating protection by means of a resettable thermal cutout.

Power switch with integrated indication lamp.

Fitted with non-slip feet. Griddle measures 518x330 mm and is half ribbed and half smooth.

- + Temperature can be set up to 300°C
- + The ribs allow fat to flow away from the food
- + The solid hardened steel grill is easy to clean
- + Convenient removable drip tray for collecting fat and scraps
- + The grill can be cleaned with wire brushes and scrapers
