

Griddle, ribbed

154984

Housing made of stainless steel. Fitted with backsplashes. Comes with a removable fat collection drawer. Temperature stepless adjustable up to 300°C. Overheating protection by means of a resettable thermal cutout. Fitted with non-slip feet.

Serving perfectly grilled meats with characteristic stripes is an art that requires the right tools. The HENDI SMART ribbed grill plate was created for professionals who want to achieve the perfect taste and appearance of food while taking care of healthier meal preparation. The thick, hardened steel plate perfectly stores and distributes heat, and its ribbed surface effectively wicks away excess fat, making dishes lighter. It is a reliable device that will work well in any restaurant, bar or food truck, where the quality of grilled meat is a priority. Invest in a device that will give your dishes a distinctive look and excellent taste. Choose the HENDI SMART ribbed grill plate and serve perfectly grilled meats every day!
