

HENDI Jet chefs' torch code: 198247

Housing made of ABS.

Nozzle made of stainless steel.

Designed with chefs in mind by Robert Bronwasser.

Stylish matte black design with green accents and an ergonomic grip for comfortable handling.

Attaches easily and securely to the gas cartridge, covering the entire top of the cartridge.

The cartridge can be replaced when empty.

Piezo ignition for quick and easy flame ignition.

Large gas dial for easy adjustment of flame size and intensity, with a flame length range of 15–150 mm.

Improved burner design prevents flaring, allowing the torch to operate at every angle, even upside down.

Gas cartridge not included.

Compatible gas cartridges available separately, code: 199039.
