

Strip vacuum packaging machine with roll feeder code:

201626

For packaging of food and non-food products, excluding liquids.

Made entirely of durable ABS plastic.

The lid seal guarantees a tight seal during operation.

User-friendly control panel.

2 bag sealing times and 2 levels of air suction power.

Bag holder in the housing.

Vibration pump.

Pump capacity: 6.5 l/min.

Not dedicated for continuous operation.

Suitable for bags up to 310mm wide.

To be used with embossed bags.

- + Compact, highly durable ABS housing combined with lightweight construction make moving and transporting the packaging machine really easy.
- + Easy to use thanks to labelled touchpad buttons.
- + The sealing process is carried out manually, making it suitable for packing delicate products.
