

Restaurant pagers – set of 10 pcs. code: 201640

Digital displays on pagers for marking order/table number (programmable numbers from 001 to 998).

3 notification modes: vibration, sound, LED light.

Combining notification modes – all switched off with one click.

Space-saving charging: pagers are stacked on the charger.

Reach: 350 m.

Pager dimensions: 70x68x20 mm.

Included in set: 10 pagers, charging station, USB-C to USB-C cable.

Pagers operate only with the controller from the HENDI Restaurant calling system – sold separately (code: 201633).

-  Increasing service quality: inform guests they can claim their order.
-  Optimising staff operation: discreetly call waiters to the kitchen to pick up orders.
-  Fast and error-free order dispatching.
-  3 different notification modes.
-  1 controller supports up to 998 pagers.
