

Hot drinks boiler UNIQ code: 211465

The UNIQ line is a selection of products for the modern buffet, catering, restaurant, and hotel industries.

Award-winning collection designed by Dutch designer Robert Bronwasser.

It blends contemporary design with high-quality craftsmanship.

Timeless colour palette that complements food and beverage presentation on buffets.

Its unique construction and attention to detail make it an eye-catching addition to any buffet. Single-walled housing made of stainless steel.

Handles made of polypropylene.

Liquid level indicator.

Non-drip tap.

Drip tray attached with a magnet, easy to clean.

Max cup height: 100mm.

Thermostat indicator.

Keep warm function: the thermostat automatically maintains the temperature.

Temperature can be set from 30°C up to 100°C.

Reset button – for use in case of overheating.

Indicator light signals overheating or descaling requirement.

For boiling water or heating wine only – not suitable for other liquids such as milk or hot chocolate.

Available in 2 capacities: 9 and 16 litres.

Available in 4 colours that match other elements of the UNIQ collection: off-white, taupe, silver and black.

-  Stylish, sleek and timeless design, the perfect addition to any buffet or bar.
-  Non-drip tap and drip tray ensure clean serving.
-  Liquid level indicator makes it easy to check how much drink remains.
-  Designed for boiling water but can also be used for mulled wine.
