

Waffle maker lollypop code: 212165

It's possible to bake 4 lollypop waffles at the same time, each 255 mm long (without the stick) and shaped like an elongated cone.

Grooves are cut out of the waffle iron so you can insert the stick and still close the waffle iron.

Waffle irons made of cast aluminium and coated with a durable Teflon® non-stick coating.

Open the waffle iron easily with the large, stay-cool, handle.

The housing is made of 18/0 stainless steel, guaranteeing a long service life and easy cleaning.

Ventilation slots in the housing protect the controls against overheating.

The temperature is continuously adjustable from 50°C to 220°C.

Timer can be set up to 15 minutes.

Net weight: 10.5 kg.
