

Pizza cooling table with granite worktop, 2 doors code:

220245

Inner and outer housing made of high-quality stainless steel, with granite worktop.

Doors fitted with comfortable handles.

Forced air cooling with automatic defrost, compressor placed underneath the chamber.

With adjustable shelving, suitable for containers up to GN 1/1.

Digital display and electronic thermostat.

All models delivered without GN containers. Chamber dimensions: 510x595x(H)830 mm.

Suitable for 600x400 mm shelves (not included).

60 mm thick polyurethane insulation.

Shelf load capacity: 18 kg each.

Cooling range: -2°C to 8°C.

Equipped with 4 adjustable plastic non-slip feet.

- + Forced air cooling with automatic defrost maintains stable temperatures, helping preserve ingredient freshness throughout service.
- + Stainless steel construction combined with a granite worktop provides a durable, easy-to-clean surface for daily food preparation.
- + Adjustable shelves accommodate GN 1/1 containers and support up to 18 kg each, allowing flexible and organised storage.
