

Pizza cooling table with granite worktop, 3 doors code:

220252

Inner and outer housing made of high-quality stainless steel, with granite worktop.

Doors fitted with comfortable handles.

Forced air cooling with automatic defrost, compressor placed underneath the chamber.

With adjustable shelving, suitable for containers up to GN 1/1.

Digital display and electronic thermostat.

All models delivered without GN containers. Chamber dimensions: 510x595x(H)830 mm.

Suitable for 600x400 mm trays (not included).

60 mm thick polyurethane insulation.

Shelf load capacity: 18 kg each.

Cooling range: -2°C to 8°C.

Equipped with 6 adjustable plastic non-slip feet.

-  Larger capacity supports high-volume pizza preparation during peak service.
-  Forced-air cooling helps maintain stable temperatures and ingredient freshness.
-  Stainless steel housing and granite worktop withstand intensive daily use.
-  Adjustable shelves fit GN 1/1 containers and hold up to 18 kg each.
