

Japanese mandoline Samurai code: 237922

Sturdy construction, made from stainless steel, ABS and Polypropylene.

Surface finished with a non-stick PTFE coating for smooth slicing.

Ultra-sharp main blades, switch easily between the smooth or crinkle blade.

Slicing thickness can be set between 0,5 and 9 mm.

With integrated blades for 4.5 mm julienne and 9 mm thick fries.

Possibility to remove the julienne blades for cleaning, unlock position printed on the dial.

With retractable foot and bowl hook, can be used free standing, placed on a bowl or even in the hand.

Bowl hook and feet lined with non-slip TPR (thermoplastic rubber), ensures stability during use.

Comes with a product holder to protect the fingers during slicing and blade shields for safe storage.

-  Non-stick coating facilitates cleaning and smooth cutting.
-  Easily adjustable cutting thickness and type.
-  Various blades for precise, uniform and fast cutting as with a true samurai sword.
-  Special finger guard/vegetable holder included in the set.
