

Bain-marie with drain tap Ranger code: 238790

Heating system with a heat mat.

This ensures 25% of energy saved in comparison to traditional solutions, as well as even temperature distribution.

Housing and water container made of stainless steel.

Also suitable for combinations of smaller GN containers, such as 2x GN 1/2, 3x GN 1/3 or 6x GN 1/6 provided that an adaptor bar is used (not included in the set, it can be purchased separately – codes: 808153, 808108).

Temperature range: from 30°C to 85°C.

Temperature regulated with a knob – 6 levels of heating.

Fitted with a thermostat and indication light.

Water container with min. water level indicator.

Overheating protection.

Waterproof rating: IPX3. GN containers are not included in the set.
