HENDI
Tools for Chefs

Party freezer code: 241301

Black exterior and white interior.
Suitable for storing and displaying frozen treats.
Low-E (low-emissivity) glass lid for improved temperature insulation.
Static cooling system.
Mechanical temperature control.
Temperature range: from -18°C to -10°C.
Manual defrost.
Equipped with 4 castors, including 1 with brake.
Made of coated steel plate.

- Low-E (low-emissivity) glass lid helps reduce temperature loss.
- Static cooling supports reliable frozen storage.
- Brake supports stable positioning and safer use.
