Tools for Chefs

Conveyor toaster code: 261200

Designed for continuous toasting of sliced bread.
Supplied with front and rear trays.
Upper and lower heating elements ensure even toasting on both sides.

- + Compact design fits easily into limited counter space.
- + Continuous operation supports a steady flow in self-service environments.

Conveyor speed with 3 preset settings for controlling browning level. Fits one row of bread slices on the conveyor.
