

Ashtray with funnel code: 440117

2 separate elements:

- body made of glass, high-temperature resistant,
- funnel made of stainless steel.

With 3 cigarette slots.

Funnel directs ash into the ashtray and serves as a lid: when used indoor – reduces smoke odours, when used outdoor – protects against wind raising ash.

- + Easy to clean – made of steel and glass
- + Windproof – funnel protects against winds raising ash
- + Cigarette ash slides directly into the ashtray through the funnel
- + Large capacity will fit many cigarette butts
