Tools for Chefs

Olive oil dispenser code: 462904

Made of polished stainless steel.

Conical shape ensuring stability.

Removable stopper with a spout.

- + Fitted with a narrow spout intended for precise oil dosing
- + Stopper is removable, designed to enable free flow of oil and prevent spillage
- + Protecting oils against going rancid due to the influence of light, temperature and air
- + Thought-out shape: stable, conical to collect oil drops after dispensing
- + Solid handle ensures comfort of use
