Chafing dish round satin finish code: 470282

Ideal for buffets and catering.

By using high-quality material and a beautiful finish, these chafing dishes give every presented dish a certain allure.

The chafing dishes and accessories are entirely made from durable stainless steel. The lid is fitted with a friction brake, it stays in the position in which it is left.

The lid can be removed to ease cleaning.

Supplied with removable round water pan, round 65 mm deep food pan and chafing dish fuel can holder.
