

Chafing dish UNIQ, analogue control code: 470473

The UNIQ line is a selection of products for the modern buffet, catering, restaurant, and hotel industries.

Award-winning collection designed by Dutch designer Robert Bronwasser.

It blends contemporary design with high-quality craftsmanship.

Timeless colour palette that complements food and beverage presentation on buffets.

Its unique construction and attention to detail make it an eye-catching addition to any buffet. Body made from high temperature resistant polypropylene.

Removable container (H)65 mm made of stainless steel, easy to clean.

Heating element made from 18/8 stainless steel and placed in the water container for efficient heat transfer.

Tempered glass lid fitted with insulated handle and aluminium hinge.

Integrated card holder on the lid for product name cards.

The design of the two-part lid reduces the heat loss by opening, while maintaining optimal hygienic conditions.

Stepless temperature adjustment from 35 to 85°C.

Water container is embossed with a max. fill line.

Not intended for cooking, only for keeping warm.

-  Modern and stylish design that makes UNIQ an eye catcher on every buffet.
-  Lightweight and easy to transport, ideal for catering.
-  Simple analogue controls ensure intuitive and straightforward operation.
-  Bain-marie heating, reduces the risk of overheating.
