

Ham holder code: 499948

Stand and base made from stainless steel with a satin finish. The ham is secured in place with one screw in the ring (ø80mm). The ring allows the ham to be rotated providing easy access to every piece of meat.

Holding element with a tilting system.

Distance between the mounting screws: approx. 480 mm.

Dimensions of the base: 570x215x(H)35 mm.

Intended for self-assembly (hex key included in the set).

-  Sturdy and stable construction made of stainless steel
-  The holding element's angle is adjustable
-  Ham mounting ring rotates for easy repositioning of ham
-  Precise slicing: ensuring stable placement for effortless cutting into very thin slices
