Tools for Chefs

Smash burger press code: 513224

Burger press made of stainless steel 18/0.

Screws made of stainless steel 18/8.

Heavy-duty.

Round pressing plate.

Thickness: 5 mm.

Suitable for griddle plates and flat-top grills.

- + Heavy-duty construction makes pressing burgers easier and more consistent.
- + Thick steel plate retains heat well for steady grilling performance.
- + Helps maintain burger shape during cooking.
- + Durable and easy to clean.
