

French corkscrew code: 594025

Handle made of durable chrome-plated zinc alloy.
Screw made of nickel-plated carbon steel.
High quality guaranteed without the risk of bending or breaking.

The sharpened thread has a wider diameter (1cm) than typical corkscrews and thus reducing the risk of crushing or breaking the cork when pulling it out.
Not dishwasher safe.

- + Very durable, hard to bend or break
- + Spiral with wide scrolls for easy cork extraction
- + Design minimizes the risk of breaking the cork
- + The handle offers plenty of grip
