Tools for Chefs

Free-flow pourer code: 599488

The pourer is a practical bartender accessory that allows for precise flow control of the drink that is being poured.

Made of stainless steel and durable plastic.

Suitable for standard 0.5-1.5 liter bottles, fits bottle openings up to 20 mm in diameter.

Perfect for making drinks.

Available models: flip top pourers, slow flow pourer and fast flow pourer (599471, 599464, 599488).

Dishwasher safe
