

Pizza cutter Pizzer, heavy-duty code: 618127

Large, thick blade and other metal components made of stainless steel 18/8.

Polypropylene handle.

Blade secured with strong, flat rivets.

Solid 325 g construction.

Slightly curved, well-balanced design.

Handle with hanging hole for convenient wall storage.

- + Stylish, functional and thoughtful design by Robert Bronwasser.
- + Stainless steel 18/8 blade and components for reliable durability.
- + Flat rivets help reduce residue build-up around the fixings.
- + Curved, balanced design offers comfortable handling.
- + Suitable for all types of pizza, from thin crusts to thick pan-style.
