

Griddle for induction cookers code: 629130

Made of cast aluminium, suitable for all heat sources and even suitable for use in ovens (up to 250°C). Cast aluminium excels at conducting heat. The non-stick coating has a high temperature resistance (up to 250°C). The coating is applied

in three layers which increases the wear resistance and makes the pan ideal for intensive use. Very easy to clean after use

-  Non-stick coating
-  Ribbed surface
-  Suitable for all heat sources
-  With large handles
