Tools for Chefs

Cast iron pot code: 629291

Made of cast iron.

Safe to use in an oven.

Not dishwasher safe. Complete set with a lid and a handle.

Handle is ideal for moving and for hanging the pot above fire.

On 3 legs – traditional design descended from South Africa.

- + Very long-lasting and extremely durable
- + Becomes non-stick after proper seasoning
- + Offers excellent heat retention and spreads the heat evenly
- + Perfect for long cooked stews or soups
- + Easy to clean – water and a washcloth is enough
