

# Container GN 1/3

801529

Made of high grade stainless steel 18/10. Very solid design. Smooth edges, easy to clean. Can be used in convection ovens, refrigerators, bain-marie systems and chafing dishes.

## Specifications

|                           |                                              |
|---------------------------|----------------------------------------------|
| Suitable for              | : Food Contact, Oven, Dishwasher, Bain-Marie |
| Temp resistance from (°C) | : -40°C                                      |
| Temp resistance to (°C)   | : 300°C                                      |
| Nestable                  | : Yes                                        |
| Materials                 | : 18/10 Stainless steel                      |
| Packed per                | : 1                                          |
| Packaging type            | : Sticker                                    |
| Length (mm)               | : 325                                        |
| Width (mm)                | : 176                                        |
| Height (mm)               | : 100                                        |
| Thickness (mm)            | : 0.7                                        |
| GN size                   | : GN 1/3                                     |
| Maximum volume (L)        | : 4                                          |
| Usable volume (L)         | : 4                                          |
| Measurements              | : (H)100                                     |

## Transport specifications
