

HENDI

Tools for Chefs

Serving trolley, welded code: 810224

Welded construction ensuring high strength and stability.
Shelves with a 10 mm raised edge to prevent dishes from falling off.

Total shelf size: 800x500 mm.

Shelf dimensions without the raised edge: 750x450 mm.

Vertical stainless steel handle with a 100 mm projection.

4 swivel castors Ø100 mm with bumpers, including 2 castors with brakes.

-  Welded frame provides strong, stable support during transport.
-  Raised shelf edges help keep items from sliding off.
-  Swivel castors enable smooth movement in tight spaces.
