Tools for Chefs

Work table with backsplash

code: 817582

Worktop and shelf made of stainless steel.

Shelf connected to legs with aluminium collar.

Height-adjustable legs.

With backsplash.

Load capacity: 130kg.

Both the tabletop and shelf support up to 130 kg, providing strong and reliable support for heavy equipment or supplies.

The height-adjustable legs allow the worktop to remain stable.
