Tools for Chefs

## Set of 4 egg trays for HENDI OVOBOX 120 code: 870792

Made of PS.

Each tray can hold 30 eggs (5x6 rows) – the whole set can hold 120 eggs in total.

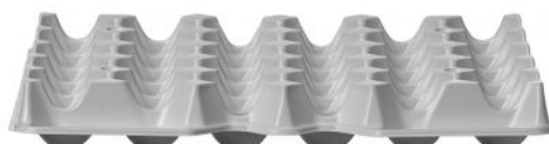

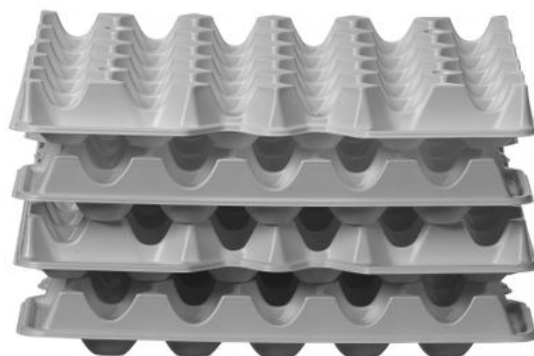

Easily stackable.

Temperature resistance: -40°C – +60°C.

Recommended for use with the HENDI Egg container OVOBOX 120 (code: 870785).

ATTENTION: before putting eggs onto the trays they must be sterilised to prevent salmonella contamination.

- + Stackable for optimising space
- + The whole set can hold 120 eggs
- + Recommended for use with the HENDI Egg container OVOBOX 120
