Pizza dough box GN 1/1 code: 880975

Made of polyethylene (HDPE), BPA-free.

Intended for transport/storage of raw pizza dough.

Rounded corners – easy to clean.

Stackable (without lid).

Temperature resistance: -40°C to 90°C.

- + Perfect for dough rising
- + Easy cleaning thanks to rounded edges
- + Perfectly flat and smooth bottom – no retention areas
- + Stackable for easy transport
- + Walls without interior rim allowing the entire container surface to be used without marking the dough
