

## Slicer Profi Line 220 Red Edition

970294

Housing made of coated aluminum. Hardened stainless steel blade, angled. Air-cooled motor with overheating protection. Powerful motor for slicing tough meats. Equipped with blade guard and built-in sharpener. Trolley with safety guard, clamping element and vertical locking device. Quick and easy disassembly for effortless cleaning. Meets all safety requirements for equipment for professional use, i.e.: – setting the knob to “0” slicing thickness keeps the blade behind the guard. – protection against unwanted start-up if the sharpener or the blade guard is removed. – possibility to lock and remove the trolley only with the blade set in “0” slicing thickness position. Not suitable for slicing cheese. Cheese slicing possible with a separately available non-stick knife.

Blade diameter: 220 mm. Steplessly adjustable cutting thickness up to 12 mm. Maximum slicing diameter: 150 mm. Finished with a special red coating.

### Specifications

|                   |                              |
|-------------------|------------------------------|
| Voltage           | : 230                        |
| Materials         | : Aluminium, Stainless steel |
| Packed per        | : 1                          |
| Packaging type    | : Box                        |
| Length (mm)       | : 506                        |
| Width (mm)        | : 435                        |
| Height (mm)       | : 347                        |
| Power (input) (W) | : 280                        |
| Programmable      | : No                         |
| Measurements      | : 506x435x(H)347             |

### Transport specifications
