Tools for Chefs

Strip vacuum packaging machine code: 975350

For packaging of food and non-food products, excluding liquids.

Made entirely of durable ABS plastic.

The lid seal guarantees a tight seal during operation.

User-friendly control panel.

2 bag sealing times.

Vibration pump.

Pump capacity: 5,5 L/min.

The vacuum packaging machine is not dedicated for continuous operation.

To be used with embossed bag.

- + Compact, highly durable ABS housing combined with lightweight construction make moving and transporting the packaging machine really easy
- + The sealing process is carried out manually. Suitable for packing delicate products
- + Allows for bag sealing without air suction
- + Practical vacuum packaging machine suitable for bags up to 310 mm wide, regardless of bag length
- + High working comfort due to low sound emissions
